### LIMITED WARRANTY

The warranty policy applies to those cases where the new seller vehicle is unloaded from its shipping container, set up & delivered by authorized dealer, & under normal use & service is found to have defects in parts or workmanship under the following terms & conditions. This warranty covers the engine & engine related components for a period of 90days.

This warranty does not apply to any part, which in opinion of seller was defective because of improper maintenance, alterations, abuse, negligence or accident.

Should warranty service be required on your new vehicle during the 90days warranty period, please contact your nearest authorized dealer for repairs.
